Nuance Consulting Services Dragon Medical One End User Guide Version 2.3 DMO 2020.1

Nuance Healthcare ID

Nuance Healthcare ID provides additional access to online management and personalization tools. It also provides access to the latest innovations from Nuance and its partners at no extra cost. You can access your personal profile in select mobile productivity apps, including medical references, secure messaging, and other apps useful to clinical professionals.

To register, click the DragonBar Menu icon and select My Nuance Healthcare ID.
