How to Contact ChristianaCare Hospitalist Partners

If you have an urgent need to speak with the hospitalist team caring for a mutual patient, follow the instructions below. Calls for urgent matters will typically be returned within one hour.

1. Call our page operator at 302-733-1900.
2. Identify yourself as the patient’s physician (give your name and practice name) and state if it is an urgent matter.
3. Provide your callback number, the patient’s name and DOB.

Note: If possible, calls between 8am and 5pm will be routed to the hospitalist caring for the patient. Calls outside of these hours will be routed to a hospitalist on call.
