

## Financial Assistance Program Summary

ChristianaCare serves our neighbors as respectful, expert, caring partners in their health. We are committed to making care affordable and we offer discounts, payment options and financial assistance to people who cannot afford to pay for medical care, including emergency Department services.

### Our Program

- The program applies to all medically necessary hospital inpatient, outpatient and emergency Department services that are billed by ChristianaCare, as well as all medically necessary services provided by any ChristianaCare-employed doctor. This would also include dental services that would require hospitalization. Services not eligible for support and excluded from this policy are cosmetic procedures, bariatric services and liability cases. For a list of practices whose providers participate in our Financial Assistance Program , [please click here](#) and for a list of non-participating providers with privileges at ChristianaCare , but for whom participation in our Financial Assistance Program does not exist, [please click here](#).
- If your gross household income is less than 200 percent of the federal poverty level (FPL) and you meet the corresponding household limits, then medically necessary services may be provided at no charge.
- If you are uninsured and your household income is greater than 200 percent of the FPL, you are eligible for a standard discount of 15 percent.
- We calculate the bill using the same amounts billed to people with insurance.

### Application Process

- If you have any comments or questions related to the [Financial Assistance Program](#), you may email us at [financialassistance@christianacare.org](mailto:financialassistance@christianacare.org) , call us at 302-623-7440 or EFax us at 302-327-7516.
- Our Financial Assistance Program, including the application, the Financial Assistance Policy, the income scales and the participating/non-participating providers may be found on the [ChristianaCare.org Financial Assistance Program Summary](#) website.
- You can apply either before or after receiving medical services at ChristianaCare.
- Patient Financial Services is available to help you see if you qualify for the Financial Assistance Program and will help you complete the application by calling 302-623-7440.
