Financial Assistance Policy
Participating Physician Practices
August 31, 2020

Christiana Care Health Services has provided to our community a list of practices that honor and accept our Financial Assistance Policy. These practices extend a 100 percent financial assistance adjustment to those Christiana Care patients who have been approved for our financial assistance program. In order to qualify for our financial assistance program, an eligible patient must meet gross income thresholds, family size thresholds and provide supportive income documentation as well as resident status.

This listing of practices (Physician Groups) that honor the Christiana Care Health Services Financial Assistance Program will be updated on an as-needed basis, but not less than on a quarterly basis.
