

BRIEF OP NOTE LOCATION

IMPORTANT UPDATE:

- The new electronic Brief Operative Note is now live for post-surgical patients
- If the Brief Op Note is not in the paper chart, check PowerChart
- In PowerChart, the note can be found in the Documents Section under the Progress Notes folder

The screenshot shows the PowerChart interface. The top navigation bar is labeled 'Documents'. Below it, a status bar indicates 'Last 400 Documents : 5 out of 7 documents are accessible. (Document Count)'. The left sidebar shows a tree view of folders: 'Adm Ins Info', 'OP Report', 'Perioperative Nursing', 'Progress Notes', and 'Brief OP Note'. A red arrow points to the 'Brief OP Note' folder, which contains two documents dated '07/02/2013 16:'. A callout box with a white background and black border points to the arrow and contains the text: 'Brief Op Note can be found in Documents -> Progress Notes'. The main content area displays a document titled 'BRIEF OP NOTE' for patient 'ZZTEST, BRIEFOPNOTE25'. The document content includes the following fields:
